DuoMAX®
20' X 10'

5 Players
UniMAX®
11' X 6'

TableMAX Four Table End Caps

TableMAX can be situated virtually anywhere. An unused corner of the casino could house a single machine. The large plasma screen and jackpot meter attracts players within a large radius.

TableMAX Six Table Floor

Two tables back-to-back or four tables in a circle create an inviting area. Different games can be played on each table for maximum flexibility.
